## Week Keeps Fire Department Busy

The Hamlin Volunteer Firemen have had a very full schedule as they have answered eight calls since last week's report. Five calls were answered Thursday.

Heavy damage resulted from a blaze at the James Willis residence at 1:15 p.m. Tuesday, Nov. 5. The firemen fought the blaze for two hours before it was brought under control.

The fires Wednesday, Nov. 6, were as follows: 5:30 a.m. at the home of Mrs. Sylvia Scott on N. W. Ave. C, minor damage; 11:45 a.m., grass fire on the Sommerall farm about eight miles west of town; 11:45 a.m. a grass fire on Northwest Ave. E across the Katy tracks, no damage; 2:20 p.m., a grass fire south of the Katy tracks on Northwest Ave. D, no damage; at 4:55 p.m., a grass fire in East Hamlin, near the DePriest School, no damage.

Thursday at 10:55 a.m., a grass fire on Northwest Ave. G, resulted in no damage. Also on Thursday the men were called out for a grass fire in the alley at 413 N. W. Ave. H. There was no damage.

## Stonewall 4-H Awards Banquet Set December 9

Stonewall County 4-H Banquet will be held at the Aspermont Cafeteria, at 7:00 p.m., Dec. 9. For the 6th straight year it will be sponsored by Ralph Riddell and the First National Bank. The Banquet purpose is to honor those most outstanding in the 4-H work of the county for 1963.

Some 90 4-H'ers will be honored with County Awards and on the State level. An expected good crowd of those attending, will include many out-of-town guests and parents of the Award Winners.

## Commissioners To Canvass Vote

Jones County Commissioners will meet in a special session Friday to canvass returns of the special Constitutional Amendment election held Sat.

## Telephone Co. Seeking Comments Of Customers

Every telephone customer in Hamlin will receive a post card from the telephone company in the next few days, asking for his comments and criticisms of his telephone service and the company that provides it, according to Harold Johnson, manager for Southwestern Bell Telephone Company here.

Johnson calls the project a post card canvass. "In making the canvass, we'll mail a double post card to each customer. The card will be mailed next Tuesday, so people will start receiving them about Wednesday or Thursday. We hope that everyone will take a minute to fill out the return half of the card and mail it to me.

"We're not seeking compliments," the manager points out. "If any of our customers have criticisms, we would like to know them. Comments like these help us to give customers the kind of service they want."

Similar post card canvasses will be held in other towns where Southwestern Bell Telephone Company operates. The purpose is to find out what customers have complaints so that the company can try to remove the causes of these complaints.

"That's our most important job — giving customers the kind of service they desire," Johnson said. "We'll contact everyone who replies unfavorably and make every effort to clear up the source of his dissatisfaction."

Johnson said, "We'll contact everyone who replies unfavorably and make every effort to clear up the source of his dissatisfaction."

## Court Postponed

County court, scheduled to have been in session starting Tuesday of this week to hear jury cases, was postponed. Judge Leon Thurman said, because district court was in session.

No new setting for holding the court has been made, the judge said.

## FIRST JONES COUNTY SUIT FILED UNDER NEW ESCHEAT LAW

First suit under Texas' new escheat law was filed in Jones County District Court Tuesday of this week. It seeks to recover slightly more than \$800 for the state.

Titled "State of Texas vs. Hodges Cooperative Gin, et al," the suit also is against Stamford Electric Cooperative, Inc., Stamford Production Credit Association, and Jones County.

The suit sets out that it is for the purpose of escheating to the state "personal property of which the existence and

whereabouts of the owners are unknown for several years" and for which no claims have been made for seven years.

Largest amount listed is \$438.89 and is money being held by County Clerk Roy Thorn as unclaimed funds held in trust. Smallest amount is \$28.75, representing unclaimed funds being held by PCA.

Unclaimed dividend checks totaling \$248.90 being held by the gin are sought in the suit as well as \$145 representing unclaimed membership fees in the REA.

Records show that these organizations have made an effort to find the true owners of the money but these have not met with success. The law requires a list of escheatable funds be filed with State Treasurer Jesse James each year.

## Foursquare Church Plans Three-Day Revival Meeting

Rev. Elvis Morris of Fort Worth is to be the evangelist for a three day revival which is to begin Tuesday, Nov. 19 at the Foursquare Gospel Church. Services will begin Tuesday morning at 9:00 a.m. Evening services will begin at 7:00 p.m.

Rev. Morris held a three day revival here last November. Those who have heard him preach will surely want to attend each of the three days says the Rev. Spencer L. Liles, pastor of the church.

Morris has been pastoring the First Foursquare Church of Fort Worth for the last thirteen years. He also does considerable evangelistic work on the foreign mission fields.

The pastor and congregation invite the public to attend all of these services.

Bob Hunt, Assistant State 4-H Club Leader from Texas A. & M. University will be the main speaker for the occasion.

## County to Seek Bids on Repair Of Courthouse

Jones County commissioners Monday authorized Judge Leon Thurman to advertise for bids on making repairs to the exterior of the courthouse.

Mortar in much of the sandstone around the building has come out and this will be replaced.

Alcoves on each side of the east and west entrances of the building were closed recently at a cost of \$450.

Judge Thurman said that brick work of the building is in good shape but that much mortar is gone from between the huge sandstone blocks.

## Plumbing Firm Open Office Here

Henry Hansen, owner and operator of Hansen Plumbing Company in Anson since 1947, has opened offices here in Hamlin at 421 South Central.

The business includes plumbing, septic tank, termite and pest control services.

Hansen and his wife, the former Lorene White, are natives of Stamford. They have three boys, Jimmy, 17, Sammy, 14, and Tommy, 11.

## LOST— ONE LADDER

The Hamlin Volunteer Fire Department lost a ladder from one of the fire trucks on or about Sept. 5.

A spokesman for the department said this week that they do not know where the ladder might have been lost. It is a 20 ft. extension ladder and it is badly needed by the department.

Anyone having any information about the lost ladder is asked to call C. L. White, fire chief, Bill Harrison, or leave word at The Hamlin Herald.

## Barnie Cumbie Elected Booster Club President

Barnie Cumbie was elected president of the Pied Piper Booster Club Monday night to serve during the 1964 season. The voting was held at the regular Monday night meeting of the club with Ned Moore, president presiding.

Other officers elected were: J. L. Warner, vice president; Don Compton, secretary-treasurer; George Batchelor, Guy Weaver, and Gene Prewitt, directors.

The organization will hold its final meeting of the season Monday night with the showing of the Anson-Hamlin film.

## Seventh Graders Take Part in Testing Program

Hamlin Junior High School finished administering national standardized tests to 86 members of the seventh grade. Fifteen seventh graders were tested at DePriest School.

The local schools participate in a Texas Testing Program which is set up under the National Education Defense Act. The purpose is to permit schools to avail themselves of the best tests possible so as to identify youngsters of exceptional ability and to encourage them to develop their capabilities which will, in turn, strengthen our nation.

The Metropolitan Achievement Series was given first. It tests achievement in ten fields: language, language study skills, work knowledge, reading, spelling, arithmetic computation, arithmetic problem solving and comprehension, social studies information, study skills and science.

Science Research Association Tests of Educational ability was given. This test attempts to predict the ability of a student to succeed in school. One of the factors considered is I. Q. The test consists of subtests in three fields, language, reasoning and quantitative.

The scoring of the test will be done by machines and reports will be returned to the school. Children will be given the results of their own achievement tests. Parents are invited to examine the scores of the children on both tests when the results are returned.

## Singing Sunday

The Jones-Fisher County singing will be held Sunday at 1:45 p.m. in the Foursquare Gospel Church.

O. L. Cohorn, president, said Monday that a large crowd was expected and everyone is invited.

## Eight Seniors to Play Final Game Here Fri. With Anson

Eight Pied Pipers will be playing their final game of their high school careers this Friday night as the Green and White of Hamlin host the Anson Tigers in the last game of the season.

Senior boys who will be playing their final game for the green and white are Ronnie Sipe, quarterback; Larry Luter, halfback; Cleon Warner, fullback; Hutch Holland, center; Nick Moore, guard; Doyle Bell, tackle; Jeff Willis, end; and Jaylon Fincannon, end.

Anson will be fighting to

avoid being the bottom team in the race as a victory over Hamlin will place the two teams tied for this dubious honor. A victory for Hamlin would give them a 3-2 district record and a 6-4 season record.

Because of the weather last week, Dad's Night was not held preceding the Haskell-Hamlin game and has been reset for this week. The boys and their fathers will be introduced at 7:00, before the game.

The Winters Blizzards have already won the right to represent District 6-AA in the play-offs and the worst that

they can do in the district is to share the title with Haskell. Since they have already defeated the Indians they would be the play-off team. For a tie, the Indians would have to defeat the Stamford Bulldogs and the Ballinger Bears would have to upset the Blizzards.

The Blizzards will meet Quannah in the Bi-district round of the Class AA playoffs at a time and place yet to be set.

Anson will be gringing a strong defensive club here Friday night that has a 3-6 season record but have given up only 113 points during the season and only 56 in district play. The Pipers have given up 127 points during the season and 68 in district.

According to scouting reports here the Tigers have moved the ball real well between the 20's but have difficulty in pushing on across the goal line.

Probable starting lineup for the Tigers will be: ends Cliff Oden, 172 pounds and Tommy Jones, 180 pounds; tackles, Britt Thurman, 188 pounds and Larry Mayfield, 175 pounds; guards, Tommy Edwards, 175 pounds and Eddie Farnsworth, 160 pounds; center David Reeves, 155 pounds; quarterback Dennis Cooley, 165 pounds; tailback, Jerry Andrus, 150 pounds; or Daril Pineda, 180 pounds; fullback, Donnie Linn, 185 pounds; king back John Probst, 140 pounds.

Top defensive boy is Daril Pineda at linebacker.

## Pastor Attends Baptist Missionary Meeting in Lubbock

Elder and Mrs. John H. Burleson served as Messengers to the 63rd annual Association of the Baptist Missionary held in Lubbock last week at the Central Baptist Church.

Speakers included Elder C. D. Walker and Elder Donald Pruitt, secretary of Missions.

"The Mission Budget was set at some \$64,800.

Nine churches came into the Fellowship by petitionary letters.

Mr. Burleson is pastor of the Calvary Baptist Church here.

## Hamlin B to Host Haskell Tonight

The Pied Piper B Team will close its season here Thursday night when they play host to the Haskell B Team. Game time will be 7:30. The Indian B team is undefeated for the season with only a tie to mar their record. The Pipers were the ones that tied them earlier in the season.

During the half-time intermission the Hamlin sixth graders will scrimmage.

## DePriest to Host District Boys Basketball Meet

The Oscar DePriest School will host District 1A Inter-scholastic League Boys Basketball Tournament here Dec. 14 in Hamlin High School gymnasium. The tourney will begin at 11 a.m. for the first session and 6:30 p.m. for the evening session.

An exhibition game between the DePriest girls and the Plainview girls will be an added attraction. Os of Nov. 11 both of these teams are undefeated.

Admission is 25c for students and 50c for adults, each session.

Towns to participate in the tournament are Vernon, Colorado City, Sweetwater, Plainview and Hamlin.

*I am Thankful...* for good health, and for the food that I

have each day. I am thankful for those near and dear to me that I can love, and in turn love me. I am thankful for the freedom of my nation, and that I can worship as I please. I am thankful that God loved me so much, that he provided a way for my salvation. I am thankful that he is a forgiving Father. I am thankful that I can attend Church and worship my Lord each Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# FAIRVIEW NEWS

By MRS. ELMER JOINER

A few miles east of us, around the Plainview Store, received an inch and a half of rain last week. It just seemed to rain up to a line and quit, so some of us that only received a trace, decided that we must not be living right. Seriously though, rain is badly needed to sow wheat, so it was rather disappointing to see it come so near, we are glad for those that did receive it, may be next time it will come our way.

Mr. and Mrs. Fred Rosenbaum went to Pampa, over the weekend, to visit their children, Mr. and Mrs. Joe R. Rosenbaum.

Mr. and Mrs. Winson Gray and Dorothy, also took a trip this weekend, having gone to Austin, where Dorothy went

before the State Board, Friday, to receive a license to be a beauty operator. From there, they went to Houston, where they visited another daughter, Mr. and Mrs. Doyal Bills and Jana.

Mr. and Mrs. Ted Wright, Monahan, were visiting in Hamlin, over the weekend, having spent Saturday with his brother, Mr. and Mrs. Jack Wright, Melinda and Keenan.

Mr. and Mrs. Clois Henry and children flew over from Snyder, Saturday afternoon, to visit with Mr. and Mrs. E. A. Henry. It seems that Mr. Henry had lost a bull and had been looking for him, so they got in the plane, searched his pasture and surrounding ones, but failed to find any trace of him, so it looks like Mr. Henry will do some more walking.

Mr. and Mrs. Bud Scott, Albany, cousins of the Drakes, spent Sunday with them.

Mr. and Mrs. Don Willie and boys, from Snyder, came over Saturday night, to visit with Mr. and Mrs. Jack Wright, and for the men to radio some. They are ham radio operators and enjoy their hobby.

Last week Mrs. Ellen Tanner and Larry, Abilene, came over and helped the Kenneth Leveretts paint their house, so this weekend they paid them back. Rev. and Mrs. Leverett and girls, spent the weekend in Abilene, helping them paint their house. Kristy and Kimmy didn't help paint, they only stayed in their play pen in the yard, and saw that they did a good job.

Mr. and Mrs. Jimmy Joiner, Jeannie and Rowland, spent Sunday with his parents, Mr. and Mrs. Elmer Joiner.

Our community has another "town former" now. Mr. and Mrs. Mel Jones moved to their home in town, Saturday, which is located just north of the primary school building. They got the inside of their house remodeled and decided that it would be much easier to finish up living there, than going back and forth so much.

Since it was raining Friday afternoon, the work on the church was not finished, but it seems a few went at different times through the week and did some things, so Monday night, they met to try to finish up all needed repairs. The Sunday School rooms are

## PIPER DEFENSES FAIL TO STOP INDIAN OFFENSE FRIDAY, 20-13

The Pipers were unable to muster the defense to stop the swift Haskell Indians here Friday night as they fell before the Indians, 20-13. Playing without the services of starting halfback Robert Pearce, the Pipers were unable to match the Indian offense.

The win left the Indians in second place in the district race with the Pipers tied for the cellar with the Anson Tigers.

After exchanging punts it was mid-way in the first period before the Indians launched the first drive of the night, going 68 yards in 16 plays to score. Tailback Joe Josselet knifed over left guard for the two yard line for scoring play. A pass play for the two points failed.

Returning the kickoff back to their own 47, the Pipers opened their first offensive drive of the night. Quarterback Johnny Overman kept for one, halfback Rupert Compton picked up five and then halfback Larry Butler broke loose for 20 yards and a first down on the Indian 27. Compton gained one, fullback Cleon Warner added another and overman connected with end Mike Shivers with an 18 yard pass play good for the first down. Operating from the four, Compton was dropped back to the five and then Warner went around right end for the score. Compton split the uprights to put the Pipers out in front, 7-6.

The Pipers lead was short lived, however, as the Indians came back after the kickoff and drove 74 yards to go out

being repainted, with the furniture in them also being redone, and a rug being put on the nursery floor, so the babies can be put on the floor in cold weather.

Our church is small in numbers, but we are proud of it, and try to keep it repaired and in shape that we are glad for people to see it. It is still God's house, if we don't have many, and we should try to keep it as nice as we do our homes.

in front again. Fullback Gary Conner picked up the last 10 yards around his right end for the tally. Tailback Sammy Larned went over left guard for the two points.

The two teams exchanged punts in the opening minutes of the second half with Haskell taking over on their own 20 yard line. Larned gained 13 yards but the play was wiped out by 15 yard penalty and then quarterback Ronnie Jeter connected with wingback James Brown with a short pass in the flat with Brown racing for

the score. The play was good for 82 yards. The point after try failed and the Indians were out in front 20-7.

Neither team threatened to score again until late in the fourth quarter when James Ledbetter recovered a Haskell fumble on the Indian 48. A pass interference penalty gave the Pipers a first down on the 47 and then Warner broke loose on a 45 yard gallop to the two yard line. Warner was stopped for no gain and then Butler carried in for the score. Compton attempted pass was no good and the Pipers trailed, 20-13. The Indians ran out the clock to finish the game.

President Garfield's term of office was completed by Chester A. Arthur.

**What can this  
modern gas range  
do that a compar-  
able electric model  
can't? Plenty!**

Even women who cook on electric ranges admit they don't have the controllability that gas gives you. When you turn the gas flame "on", it's "on" instantly... turn it "off", it's "off" instantly. There's no hangover-heat to cause boil-overs and no pot-shuffling necessary with gas. Another gas exclusive is smokeless broiling — the flame eats up smoke so you can keep the broiler door closed. This means a cooler, smoke-free kitchen — only with gas! How about flame-kissed flavor for steaks and burgers? Only a gas flame does it. But the big plus is economy... natural gas is so inexpensive you can cook four meals for the price of one. See the beautiful new automatic gas ranges now on sale at Gas Appliance Dealers and Lone Star Gas!

Joyce Smith, NHS president, gave the welcome address. Gary Jay explained how members are chosen and Ronnie Sipe interpreted the emblem. The four standards of the society were explained by Phyllis Scarborough, character;

Barbara Lakey, leadership; Kathy Hallmark, scholarship; and Sue Johnson, service.

## Stonewall 4-H Awards Banquet Set December 9

Stonewall County 4-H Banquet will be held at the Aspermont Cafeteria, at 7:00 p.m., Dec. 9. For the 6th straight year it will be sponsored by Ralph Riddel and the First National Bank. The Banquet purpose is to honor those most outstanding in the 4-H work of the county for 1963.

Some 90 4-H'ers will be honored with County Awards and on the State level. An expected good crowd of those attending, will include many out-of-town guests and parents of the Award Winners.

## Commissioners To Canvass Vote

Jones County Commissioners will meet in a special session Friday to canvass returns of the special Constitutional Amendment election held Sat.

Many of the boxes in the county had not brought their returns to Anson when the court met in regular session Monday.

## Telephone Co. Seeking Comments Of Customers

Every telephone customer in Hamlin will receive a post card from the telephone company in the next few days, asking for his comments and criticisms of his telephone service and the company that provides it, according to Harold Johnson, manager for Southwestern Bell Telephone Company here.

Johnson calls the project a post card canvass. "In making the canvass, we'll mail a double post card to each customer. The card will be mailed next Tuesday, so people will start receiving them about Wednesday or Thursday. We hope that everyone will take a minute to fill out the return half of the card and mail it to me."

"We're not seeking compliments," the manager points out. "If any of our customers have criticisms, we would like to know them. Comments like these help us to give customers the kind of service they want."

Similar post card canvasses will be held in other towns where Southwestern Bell Telephone Company operates. The purpose is to find out what customers have complaints so that the company can try to remove the causes of these complaints.

"That's our most important job—giving customers the kind of service they desire," Johnson said. "We'll contact everyone who replies unfavorably and make every effort to clear up the source of his dissatisfaction."

Hansen and his wife, the former Lorene White, are natives of Stamford. They have three boys, Jimmy, 17, Sammy, 14, and Tommy, 11.

## Court Postponed

County court, scheduled to have been in session starting Tuesday of this week to hear jury cases, was postponed. Judge Leon Thurman said, because district court was in session.

No new setting for holding the court has been made, the judge said.

## FIRST JONES COUNTY SUIT FILED UNDER NEW ESCHEAT LAW

First suit under Texas' new escheat law was filed in Jones County District Court Tuesday of this week. It seeks to recover slightly more than \$800 for the state.

Titled "State of Texas vs. Hodges Cooperative Gin, et al," the suit also is against Stamford Electric Cooperative, Inc., Stamford Production Credit Association, and Jones County.

The suit sets out that it is for the purpose of escheating to the state "personal property of which the existence and whereabouts of the owners are unknown and have been unknown for several years" and for which no claims have been made for seven years.

Largest amount listed is \$438.89 and is money being held by County Clerk Roy Thorn as unclaimed funds held in trust. Smallest amount is \$28.75, representing unclaimed funds being held by PCA.

Unclaimed dividend checks totaling \$248.90 being held by the gin are sought in the suit as well as \$145 representing unclaimed membership fees in the REA.

Records show that these organizations have made an effort to find the true owners of the money but these have not met with success. The law requires a list of escheatable funds be filed with State Treasurer Jesse James each year.

## Eight Seniors to Play Final Game Here Fri. With Anson

Eight Pied Pipers will be playing their final game of their high school careers this Friday night as the Green and White of Hamlin host the Anson Tigers in the last game of the season.

Senior boys who will be playing their final game for the green and white are Ronnie Sipe, quarterback; Larry Luttler, halfback; Cleon Warner, fullback; Butch Holland, center; Nick Moore, guard; Doyle Bell, tackle; Jeff Willis, end; and Jaylon Fincannon, end.

Anson will be fighting to

avoid being the bottom team in the race as a victory over Hamlin will place the two teams tied for this dubious honor. A victory for Hamlin would give them a 3-2 district record and a 6-4 season record.

Because of the weather last week, Dad's Night was not held preceding the Haskell-Hamlin game and has been rescheduled for this week. The boys and their fathers will be introduced at 7:00, before the game.

The Winters Blizzards have already won the right to represent District 6-AA in the play-offs and the worst that

they can do in the district is to share the title with Haskell. Since they have already defeated the Indians they would be the play-off team. For a tie, the Indians would have to defeat the Stamford Bulldogs and the Ballinger Bearcats would have to upset the Blizzards.

The Blizzards will meet Quana in the Bi-district round of the Class AA playoffs at a time and place yet to be set.

Anson will be gringing a strong defensive club here Friday night that has a 3-6 season record but have given up only 113 points during the season and only 56 in district play. The Pipers have given up 127 points during the season and 68 in district.

According to scouting reports here the Tigers have moved the ball real well between the 20's but have difficulty in pushing on across the goal line.

Probable starting lineup for the Tigers will be: ends Cliff Oden, 172 pounds; and Tommy Jones, 180 pounds; tackles, Britt Thurman, 188 pounds and Larry Mayfield, 175 pounds; guards, Tommy Edwards, 175 pounds and Eddie Farnsworth, 160 pounds; center, David Reeves, 155 pounds; quarterback, Dennis Cooley, 165 pounds; tailback, Jerry Andrews, 150 pounds; or Darl Pineda, 180 pounds; fullback, Donnie Lain, 185 pounds; long back, John Propst, 160 pounds.

Top defensive boy is Darl Pineda at linebacker.

## Stage Band to Play For West Texas Amateur Hour

The Hamlin High School Band has been chosen to play the background and walking music for contestants for the second West Texas Amateur Hour Talent Show being held by the Abilene Optimist Club.

The stage band will be directed by Tim Jones. The show will be held at 8 p.m. Nov. 26 in Abilene High School Auditorium.

Henry McCoy, chairman, said, "The Hamlin group was selected to play for the second of a series of four talent shows by the overwhelming applause of the audience."

He added, "We commend the Hamlin High School Superintendent, Mr. C. F. Cook, for this outstanding band under the direction of Mr. Tim Jones."

The second audition for this program will be held in the Gold Room of the First State Bank building at 1:30 p.m. Saturday. Amateurs of any age are welcome to audition for the Nov. 26 performance.

Tickets are on sale at Reynolds Drug and Howard Drug Co. for one dollar per person.

The first rehearsal of the choir for the Community Thanksgiving service will be held Sunday afternoon at 3:30 at the First Baptist Church.

The choir will be made up of choir members from all of the churches of the Hamlin Ministerial Alliance who are sponsoring the Thanksgiving service.

The special service will be held Wednesday, Nov. 27, in the First Baptist Church.

S. L. Tate, music-education director of the First Baptist Church, will direct the choir. Every choir member is invited to take part. Two anthems will be prepared.

The rehearsals will be held Nov. 17 and Nov. 24.

Nine churches came into the Fellowship by petitionary letters.

*I am Thankful...* for good health, and for the food that I

have each day. I am thankful for those near and dear to me that I can love, and in turn love me. I am thankful for the freedom of my nation, and that I can worship as I please. I am thankful that God loved me so much, that he provided a way for my salvation. I am thankful that he is a forgiving Father. I am thankful that I can attend Church and worship my Lord each Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# FAIRVIEW NEWS

By MRS. ELMER JOINER

A few miles east of us, around the Plainview Store, received an inch and a half of rain last week. It just seemed to rain up to a line and quit, so some of us that only received a trace, decided that we must not be living right. Seriously though, rain is badly needed to sow wheat, so it was rather disappointing to see it come so near, we are glad for

those that did receive it, maybe next time it will come our way.  
Mr. and Mrs. Fred Rosenbaum went to Pampa, over the weekend, to visit their children, Mr. and Mrs. Joe R. Rosenbaum.  
Mr. and Mrs. Winson Gray and Dorothy, also took a trip this weekend, having gone to Austin, where Dorothy went

before the State Board, Friday, to receive a license to be a beauty operator. From there, they went to Houston, where they visited another daughter, Mr. and Mrs. Doyal Bills and Jana.  
Mr. and Mrs. Ted Wright, Monahans, were visiting in Hamlin, over the weekend, having spent Saturday with his brother, Mr. and Mrs. Jack Wright, Melinda and Keenan.  
Mr. and Mrs. Clois Henry and children flew over from Snyder, Saturday afternoon, to visit with Mr. and Mrs. E. A. Henry. It seems that Mr. Henry had lost a bull and had been looking for him, so they got in the plane, searched his pasture and surrounding ones, but failed to find any trace of him, so it looks like Mr. Henry will do some more walking.  
Mr. and Mrs. Bud Scott, Albany, cousins of the Drakes, spent Sunday with them.  
Mr. and Mrs. Don Willie and boys, from Snyder, came over Saturday night, to visit with Mr. and Mrs. Jack Wright, and for the men to radio some. They are ham radio operators and enjoy their hobby.  
Last week Mrs. Ellen Tanner and Larry, Abilene, came over and helped the Kenneth Leveretts paint their house, so this weekend they paid them back. Rev. and Mrs. Leverett and girls, spent the weekend in Abilene, helping them paint their house. Kristy and Kimmy didn't help paint, they only stayed in their play pen in the yard, and saw that they did a good job.  
Mr. and Mrs. Jimmy Joiner, Jeannie and Rowland, spent Sunday with his parents, Mr. and Mrs. Elmer Joiner.  
Our community has another "town former" now. Mr. and Mrs. Mel Jones moved to their home in town, Saturday, which is located just north of the primary school building. They got the inside of their house remodeled and decided that it would be much easier to finish up living there, than going back and forth so much.  
Since it was raining Friday afternoon, the work on the church was not finished, but it seems a few went at different times through the week and did some things, so Monday night, they met to try to finish up all needed repairs. The Sunday School rooms are

## PIPER DEFENSES FAIL TO STOP INDIAN OFFENSE FRIDAY, 20-13

The Pipers were unable to muster the defense to stop the swift Haskell Indians here Friday night as they fell before the Indians, 20-13. Playing without the services of starting halfback Robert Pearce, the Pipers were unable to match the Indian offense.  
The win left the Indians in second place in the district race with the Pipers tied for the cellar with the Anson Tigers.  
After exchanging punts it was mid-way in the first period before the Indians launched the first drive of the night, going 68 yards in 16 plays to score. Tailback Joe Josselet knifed over left guard for the two yard line for scoring play. A pass play for the two points failed.  
Returning the kickoff back to their own 47, the Pipers opened their first offensive drive of the night. Quarterback Johnny Overman kept for one, halfback Rupert Compton picked up five and then halfback Larry Butler broke loose for 20 yards and a first down on the Indian 27. Compton gained one, fullback Cleon Warner added another and overman connected with end Mike Shivers with an 18 yard pass play good for the first down. Operating from the four, Compton was dropped back to the five and then Warner went around right end for the score. Compton split the uprights to put the Pipers out in front, 7-6.  
The Pipers lead was short lived, however, as the Indians came back after the kickoff and drove 74 yards to go out

the score. The play was good for 82 yards. The point after try failed and the Indians were out in front 20-7.  
Neither team threatened to score again until late in the fourth quarter when James Ledbetter recovered a Haskell fumble on the Indian 48. A pass interference penalty gave the Pipers a first down on the 47 and then Warner broke loose on a 45 yard gallop to the two yard line. Warner was stopped for no gain and then Butler carried in for the score. Compton attempted pass was no good and the Pipers trailed, 20-13. The Indians ran out the clock to finish the game.  
President Garfield's term of office was completed by Chester A. Arthur.

What can this modern gas range do that a comparable electric model can't? Plenty!

Even women who cook on electric ranges admit they don't have the controllability that gas gives you. When you turn the gas flame "on", it's "on" instantly... turn it "off", it's "off" instantly. There's no hangover-heat to cause boil-overs and no pot-shuffling necessary with gas. Another gas exclusive is smokeless broiling — the flame eats up smoke so you can keep the broiler door closed. This means a cooler, smoke-free kitchen — only with gas! How about flame-kissed flavor for steaks and burgers? Only a gas flame does it. But the big plus is economy... natural gas is so inexpensive you can cook four meals for the price of one. See the beautiful new automatic gas ranges now on sale at Gas Appliance Dealers and Lone Star Gas!
